

The smile you want.
Brought to life.

With **award-winning CELEBRACE**, we'll treat you with today's most progressive AI planning and 3D printing technology: **Fully custom braces tailored to your future smile.**

WHAT TO EXPECT

- Precision fit and predictable results
- Fewer surprises along the way
- Reduced treatment time and efficient appointments

TRADITIONAL BRACES

One-Size-Fits-All.
More Adjustments Needed.

VS.

CELEBRACE

Precise. Efficient.
100% Custom-Designed for You.

We aren't just straightening your teeth.

We design your smile based on your features, your goals, and your outcome.

PRECISION BRACES CREATED JUST FOR YOU.

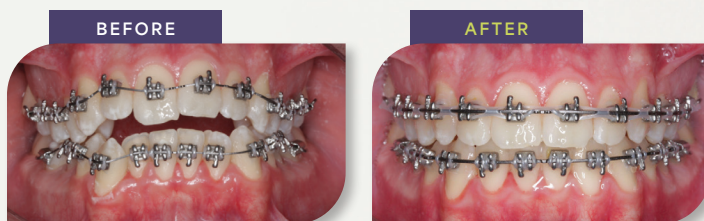

Most braces are adjusted along the way.
Yours are designed from the start.

CELEBRACE TAKES A DIFFERENT APPROACH.

We'll begin with a 100% digital plan, mapping out your future smile. We'll custom design your braces to follow that precise plan from day one.

5 MONTHS

Intelligent Design = Your Confident, Future Smile

WHY PATIENTS ASK FOR CELEBRACE

"I want the shortest possible treatment time"

"I don't want a lot of back-and-forth visits"

"I want to love my smile at the end"

Ask us if Celebrace is right for you.
